

THE LION LINE

From the Desk of Headmaster Johnson

Dear Parents,

We are still awaiting the first cool breeze, signaling the end of summer heat. We have also been dodging lightning during recent afternoon car lines. Thank you for your patience when we have to enact our Lighting Protocol. I would like to thank you for following all of our car line procedures, both morning and afternoon. We have a purpose for everything we do, creating a safe and efficient drop-off and pick-up. Please remember to arrive no earlier than 2:20 (12:20 on Wednesdays) for the upper school car line (traffic will back up onto Canova Road if you get here too early). Also remember to arrive no earlier than 2:50 (12:50 on Wednesdays) for lower school car line (if you are early, you will interfere with upper school pick-up and will be looped back through the line).

I am pleased to announce that the 2nd Annual Constitution Day Celebration was a great time for our scholars and faculty. American Classical Education is what defines us as a school, and this celebration fits perfectly with our mission statement. Thank you for participating in RWB Spirit Day, the events of Friday during the school day, and the Friday evening Guest Lecture event. I am so thankful for our parents and your involvement with our school. You don't want to miss the Lions Council Bi-Annual General Membership meeting Monday, October 3, 2022, at 6:00 pm. At this meeting I will provide a "State of the School" to our parents, followed by a question-and-answer session.

I love our scholars and their families, and I hope you are enjoying the school year so far. I also love our teachers and greatly appreciate the hard work they put in every day to ensure your kids receive the best education possible. If you didn't join the 1776 Promise Campaign yet, there is still time. Please visit the [Lions Council website](#) to learn more and sign up today for this "call to arms!"

Lion Strong!
Mr. Johnson

August Safety Patrol of the Month

Each month the safety patrol sergeants and lieutenants choose a fourth-grader and a fifth or sixth-grader for going above and beyond within their safety patrol duties. For the month of August, Adeline Shaw and Perry Haynes were chosen.

"We chose Perry Haynes for safety patrol scholar of the month because he is always on task, never late, and always does his duties when told."

Austin Moss, Sergeant

"I choose Adeline Shaw for safety patrol scholar of the month because she is always early to her duty, never complains and always helps the teachers."

Maria Renee Brannon, Sergeant

SJCA Safety Committee: TRAINING

Training is essential for safety and survivability. Do you lock your front door when you leave your house? Do you buckle your seatbelt every time you get in the car? Why? To prepare for the unexpected. We don't plan on a home invasion or an auto accident, but we prepare (TRAIN!) for these events...just in case. In school, we plan and train monthly for fire evacuations, outside danger (Code Yellow), and inside danger (Code Red). The more you practice in a calm, controlled setting your reactions become muscle memory, allowing your body to click into "auto pilot" in a time of crisis. One doesn't "rise to the occasion, you fall to the level of your training". The more tools in your toolbox, the better prepared you are. This year, the SJCA Safety Team provided training for staff during pre-planning. Approximately 30 participated in first aid/CPR and/or Stop the Bleed. Soon, Stop the Bleed and ALICE will be available to the upper school students. Like CPR, Stop the Bleed is becoming very widespread. These simple strategies can immediately prolong life until rescue arrives. ALICE (Alert, Lockdown, Inform, Counter, Evacuate) teaches multiple options for surviving a violent encounter beyond the typical "hide and wait". Our goal at SJCA is to have the safest school in the county, and with your help we can achieve this. Make sure you read each Lion Line for more articles and training opportunities from the SJCA Safety Team.

ALICE Training for Parents

ALICE Training is a unique, lifesaving skill that can be applied anywhere. Join the SJCA Safety Team to learn new techniques beyond "hide and wait" during an active assailant situation. This is an opportunity for parents to learn what their teens will learn in the coming months. This free training is for adults only, childcare will not be provided.

St. Johns Classical Academy Dance Guidelines

All students are expected to abide by the Guidelines for School-Sponsored Activities, as addressed in the Student Handbook and detailed below, when attending a St. Johns Classical Academy dance.

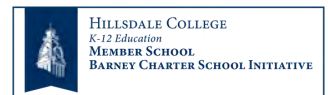

Dance Rules

While music and dance styles have certainly changed over the past years, students should be reminded that school-sponsored dances are not clubs or private parties. The school does not want to restrict the fun that students have while at school-sponsored dances, students must be reminded that dancing, which the Administration of SJCA considers lewd or overtly suggestive in nature, will not be tolerated. Students dancing in this manner will be removed from the dance floor for the first offense and removed from the dance altogether for the second offense. Front to back contact (grinding) is an example of inappropriate dancing. Continued inappropriate dancing/behavior could affect attendance in future SJCA dances.

- Students may bring another student outside of SJCA with permission slip signed by outside school's administration and approved by the SJCA Dean of Scholars.
- A student may only use the ticket he/she was assigned for admission to the dance.
- Only those students whose names are on the list will be allowed entrance.
- Any student who has received a referral this school year must be approved by the SJCA Dean of Scholars.
- If students do not meet the dance dress-code requirements, they will not be permitted to enter the dance.
- Students leaving the dance may not re-enter.
- For all dances, it is the student and parent's responsibility to know when the event ends. Parents/guardians are required to pick up their child within **15 minutes** of the ending time. If students are not picked up in a timely manner, they may not be allowed to attend future dances.
- Tickets are non-refundable.

Dance Dress code guidelines

 - Dresses MUST be no shorter than four inches above the knee.
 - No bare midriffs (no part of the stomach can be showing)
 - Dresses CANNOT be too low cut in the front (no cleavage showing).
 - Dresses CANNOT be cut in the back any lower than the waist.
 - Dresses CAN have spaghetti straps.
 - Dresses MAY be strapless (no cleavage showing).
