

Academic Advising Newsletter

Academic Advisor: Mrs. Flannagan | kayla.flannagan@stjca.org

The mission of St. Johns Classical Academy is to develop graduates in mind and character through a classical, content-rich curriculum that emphasizes the principles of virtuous living, traditional learning, and civic responsibility. We are building intelligent, virtuous American citizens. While college prep is not the mission of St. Johns Classical Academy, it is a natural byproduct of our mission and curriculum. It is acceptable not to know what you want to do after you graduate from SJCA. I am available to support you as you explore your future path.
